This Certificate binds the Company to maintain its activities in compliance with the requirements of the above-mentioned standard. The obligation assumed by the Company shall be controlled by the Certification Body and shall be confirmed during the annual supervisory audit. The annual supervisory audits periods are written on the back side of the Certificate. The Certificate is not valid in case the Certificate back side is empty.

№ 002025

English version

The Company must undergo 2 (two) annual surveillance audits to prove that the Company maintains its activities in compliance with the Standards requirements during the Certificate period, that is 3 (three) years. The Certificate validity is suspended in case the Company rejects annual supervisory audit or recertification audit. The company must undergo certification audit again to be certified after rejection takes place.
